*The purpose of the American Guild of Organists  
is to encourage excellence in the performance  
of organ and choral music and to support and  
inspire each other.*

**From the Dean**

***WE NEED EVERYONE'S SUPPORT NOW***

**Practical Support:** If you're already a member, do not hesitate, but write your check and send it in with the membership form immediately. If you know church musicians who should be members, invite them to join us. Personal invitations can make a big difference.

**Attendance Support:** When the newsletter comes out, transfer all Chapter events to your own calendar, and plan ahead to come to as many as possible, not just to come at your convenience!

**Moral Support:** The AGO does good things for churches, congregations, and organ and choral music, here in Boise, throughout the State, and across the nation. Even if you cannot attend local Chapter programs as much as you'd like (or as we'd like), give us the moral support of joining as a member in some capacity. This organization is at least as important as any of the others you belong to. We need YOU to be a part of the WE that is doing these good things!

Becoming as a member is not difficult. Simply go to [www.agoboise.org](http://www.agoboise.org)>membership. For as little as \$25 you can support our efforts as a non-voting Chapter Friend.

How easy is that?

We hope you'll want to do more, because:

***WE NEED YOU!***

**Where is the world is this console?**

**Answer to the last mystery question:**

Console location: West Point Chapel

**2012 AGO Examinations**

Are you interested in improving your skills at the organ and by so doing providing better music for your church? Of course you are! The Service Playing Certificate is probably the most valuable for LDS piano/organists because of its emphasis on hymn playing and accompaniment.

E-mail our Dean, Dr. Morvant, about your interest and we'll help you with everything except the practice time. There are also AGO webinars, plus, check July TAO.

**It is time to start planning for this**
